

## **A Sea of Pain**

### **Rose Mealing**

Guns firing  
People screaming  
Babies crying  
Then darkness

Awaking to the sound of water  
As a boat takes you away  
From that fear, pain and heartache  
A small ship with 70 people onboard

Now no land in sight  
Just an endless watery grave  
Losing hope quickly  
Only trying not to drown

People all around you  
Crying for their loss  
Their once beautiful country  
Now covered in a fiery blaze
